

20th Annual Pain Management Conference

Practical Pain Management for Health Care Practitioners

Creighton
UNIVERSITY

Center for Professional
and Corporate Excellence

Pain management can be simple or complex and requires a wide variety of skills and approaches. Pain management practitioners come from all fields of medicine, and together can form a multidisciplinary team resulting in improved pain management. This conference will offer health care providers evidence-based, therapeutic approaches to reduce pain and practice pain management from an integrative perspective.

Friday, October 15, 2021
7:50 a.m.-4 p.m.

Online Program

\$140 Physicians, nurse practitioners, physician assistants, pharmacists, dentists

\$85 Nurses, physical therapists, occupational therapists, dental hygienists, public health professionals, other health care professionals

\$45 Fellows, residents, and full-time students

6.5 CE hours

Purpose

The conference will provide practitioners with the most recent information that will enhance knowledge, skills and performance in the assessment and treatment of patients with pain disorders.

ACCREDITATION STATEMENT

In support of improving patient care, this activity has been planned and implemented by Creighton University Health Sciences Continuing Education and CHI Health. Creighton University Health Sciences Continuing Education (HSCE) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.
