PURPOSE
This conference is designed to update primary care physicians, nurses, pharmacists and support staff on recent advances in the management of lower gastrointestinal diseases that are commonly seen in a primary care practice. Information presented is intended to enhance clinical competence in the office management and differential diagnosis of selected colon and rectal diseases and may include initial management as well as guidelines to assist in determining when referral to specialty consultants is indicated.

ACCREDITATION STATEMENT
In support of improving patient care, Creighton University Health Sciences Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.
OBJECTIVES

Session I
• Describe the anatomy of the colon and anorectum
• Discuss etiology and treatment options for patients with anorectal pain
• Describe causes and treatment options for rectal bleeding
• Review treatment of hemorrhoidal diseases

Session II
• Review the diagnosis and treatment of diverticulitis
• Discuss the indications for HIPEC treatment
• Describe causes and management of conditions causing abdominal bloating
• Review methods of diagnosis and treatment of colonic volvulus

Session III
• Discuss new chemotherapeutic agents available to treat colorectal cancers
• Review Methods available for early recovery after colon and rectal surgery
• Describe tests to identify HNPPC on pathological specimen on patients with colorectal cancer
• Review the basics of radiation treatment for patients with colorectal cancer
• Discuss management of patients with Hereditary colorectal cancer

TOPICS

7:15 a.m. Registration, Continental Breakfast and Visit Exhibits
7:50 a.m. Welcome and Program Overview, M. Shashidharan, MD, FRCS, FACS, FASCRS

Session I—Anorectal Diseases: Management of Common Anorectal Complaints
Moderator: M. Shashidharan, MD, FRCS, FACS, FASCRS
8 a.m. An Introduction to the Anatomy of the Anus, Rectum and the Pelvic Floor Anorectal Anatomy, M. Shashidharan, MD, FAC, FASCRS
8:20 a.m. Anorectal Pain: Causes and Management Options, Charles Ternent, MD, FACS, FASCRS
8:40 a.m. Rectal Bleeding: Causes and Management Options, Zachary Torgersen, MD
9 a.m. Hemorrhoids: The Important First Step in Management, Garnet Blatchford, MD, FACS, FASCRS
9:20 a.m. Panel Discussion with M. Shashidharan, MD, FAC, FASC, Zachary Torgersen, MD, and Garnet Blatchford, MD, FACS, FASCRS
9:40 a.m. Break and Visit Exhibits

Session II—New Technologies: Management of Colorectal Disorders
Moderator: Charles Ternent, MD, FACS, FASCRS
10:05 a.m. Acute Diverticulitis: When to Call a Surgeon, Michael Jobst, MD, FACS, FASCRS
10:25 a.m. HIPEC: Hyperthermic Intraperitoneal Chemotherapy, Brian Loggie, MD, FACS
10:45 a.m. Abdominal Bloating, Erin Jenkins, MD

11:05 a.m. Colonic Volvulus and Other Large Bowel Obstruction, M. Shashidharan, MD, FACS, FASCRS
11:25 a.m. Panel Discussion with Michael Jobst, MD, FACS, FASCRS, Brian Loggie, MD, FACS, Erin Jenkins, MD, and M. Shashidharan, MD, FACS, FASCRS
11:45 a.m. Break and Visit Exhibits
Noon Lunch Presentation
Methods to Reverse Most of the Medical Conditions Caused by Wrong Diet, Kota J. Reddy, MD, FACC Cardiologist and Life Style Specialist Houston, Texas

Session III—New Concepts in the Management of Colorectal Cancer
Moderator: Zachary Torgersen, MD
1 p.m. Targeted Chemotherapy for Colon and Rectal Cancer, Nagendra Natarajan, MD
1:20 p.m. Enhanced Recovery After Colorectal Surgery, Darcy Shaw, MD
1:40 p.m. Lynch Syndrome Testing for Colon and Rectal Cancer, Neil Alouch, MD
2 p.m. Basics of Radiation Therapy: 101, Hadi Zahra, MD, DABR®
2:20 p.m. Management of Hereditary Colon and Rectal Cancers, Tyler Bernaiche, MD
2:40 p.m. Panel Discussion with Nagendra Natarajan, MD, Darcy Shaw, MD, Neil Alouch, MD, Hadi Zahra, MD, DABR®, and Tyler Bernaiche, MD
3 p.m. Evaluation and Adjournment
